How Q&A Works on CareerVillage

1. Students post a college or career related question

How do I narrow down my choices on what I want my career to be?

I'm a Sophomore in high school. and I love movies. I acted in a few plays, but I'm also interested in business, law and art. I feel torn, and I'm unsure how to decide on a possible career.

2. Working professionals answer that question

Here is what I recommend: Do your research about the career that interest you. Coming to CareerVillage.org is great first step! Ask a lawyer what is is like to work in law...

3. CareerVillage notifies students when their question is answered

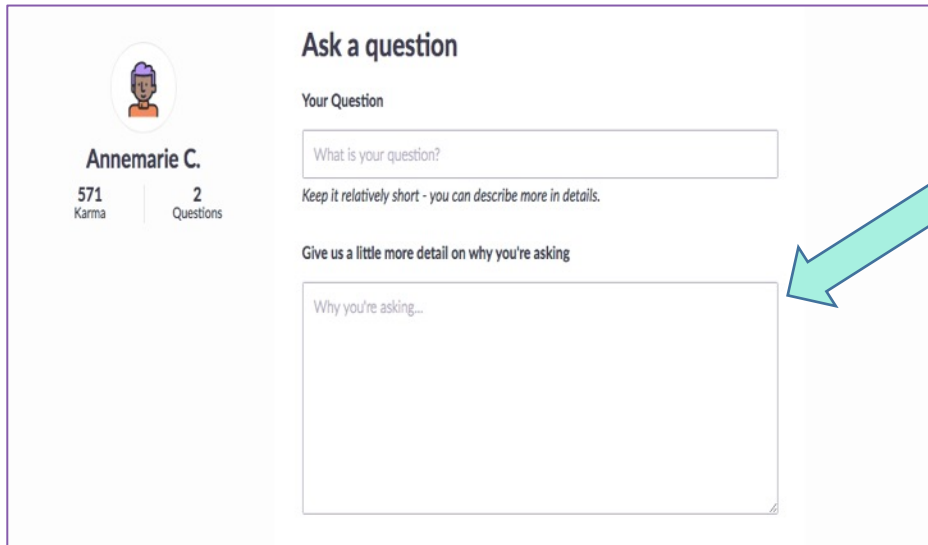

Notified through Email and your CareerVillage profile
